Sure. I copied Joey on this e mail as well. We had several "how do you count" it issues that had developed as well as wanting to know maybe by using an example of how you interpret the USEPA penalty policy.

Ok, no problem. Could you or Joey e-mail the topics you would like to discuss as part of the penalty training? Or is that what you would like to discuss over the teleconferencing? I spoke with Bruce and we are looking at having a meeting to go over enforcement actions on March 7, 2012 before our March 14 call with the IAGs office.

Cheryl: Many apologies for not firming this issue up sooner. Joey is the person from my unit who would

like to coordinate some penalty training. We thought that doing it via the teleconferencing would be good. She has several areas that we had discussed among the unit.
